- Most Improved Golfer Award at the Tennessee State Golf Association Junior Girls’ Championship at Fairmont CC (94, 80, par 75), July 2010.

High School Golf – 2009

My freshman year, I earned a spot on the varsity golf team and played the number five position. I was the only female player on the team and 99% of my rounds were played against boys. Our team record was 11-6 and my average nine-hole score was **45.5**.

High School Golf – 2010

My sophomore year, I improved my game and played the number two position on the varsity coed team, again, the only girl on the team. Our team record was 15-5 and we qualified for the TNSIAA HS State Tournament of Champions. Individually, I participated in a number of girls only events: I qualified for the TNSIAA Girls’ HS State Tournament of Champions by shooting seven over par (+7) or better in five (5) nine-hole matches, during my regular high school golf season. I ended the season with a **41.6** average score for nine-hole rounds.

High School Golf (con't.)

	Date	Tournament Name	Location	Yardage	Par	Slope/Rating	Score	Finish
